Power446

PMR446 handheld radio

The POWER446 is an easy to operate, licence-free two-way radio that excels through its clear voice clarity and long battery life.

Thanks to the robust design with IP66 protection against water and dust, you can concentrate on your task and have confidence in the Power446 wherever you take it.

Highlights

Licence-free two-way radio

The Power446 is a PMR446 radio and can therefore be used straight out of the box, without the need to acquire a radio licence.

Dust and waterproof

With IP66 rating offering protection against dust and water ingress, the Power446 is ideal for use outdoors.

Longer battery life

The high capacity 2000-mAh battery can last up to 25 hours on a single charge with a duty cycle of 5-5-90.

Improved audio quality

HYT voice management technology combined with an optimised loudspeaker ensures a clear sound is delivered to the user at all times.
